

BR In-spiration

Michael Taylor

As proud sponsors of Paralympian Cyclist Michael Taylor, we are pleased to see his progress continue this year as he wins 1st at the Victorian Para-cycling time trials!

Michael holds many titles to his name including, Australia Day's 2015 Sportsman of the Year and currently holds 7 National Australian Titles. He has been nominated for the 2016 Sportsman of the Year awards and is a true inspiration on and off the track.

With another busy year ahead, including nationals and travel to Adelaide and Perth, where Michael has been selected to race in the UCI Master ITT Grand Fondo qualifier. With only 10 para-cyclists invited, it is yet another true recognition of how great this man really is.

Michael, we are so proud of your achievements and your desire to be the best you can be. Every day you remind us of the importance of striving for success both personally and professionally. You continue to

do whatever it takes to follow through with the promises you make. You show us that a dream can live on in time and forever and we hope that when you put it all on the line this year that all that your hopes and dreams will be delivered with no fear.

Good luck with the trials for the Rio Olympics! We are all behind you!

Keep it up buddy,
Aaron Poole & all of us at BR International Logistics
